This supplement is compiled and published by the Pacific Southwest Dahlia Conference Classification Committee as authorized by the Conference at its Annual Meeting.					
The list is for the use of Societies in the Conference whose show schedules call for Dahlias to be exhibited according to the current ADS Classification and Handbook of Dahlias "except as noted otherwise in the PSW Supplement."					
Cultivars not appearing in the ADS Classification Handbook Supplement are to be shown as grown. Exhibitors must submit a completed Classification Recommendation Form to the Show Manager prior to entry of unclassified cultivars.
